ETHICS IN PUBLISHING

The journal applies research and publication ethics standards based on COPE's International Standards for Editors and Authors (<https://publicationethics.org/resources/international-standards-for-editors-and-authors>). In case of violation of publication ethics the COPE flow chart (<http://home.jeet.or.kr/Flowcharts.pdf>) will be activated. Please refer also to the file: Ghostwriting (EN)

COPYRIGHT

Authors are obliged to sign and submit JOURNAL PUBLISHING AGREEMENT (please refer to the file [ACEE Agreement \(EN\)](#)). Submission of an article to "Architecture Civil Engineering Environment" implies that:

- it is developed in accordance with the applicable rules of ethics in science,
- the article is the original creation of the authors and it is not copied from any other work,
- it presents the original and unpublished work, and not under consideration for publication elsewhere,
- the article does not contain any materials that violate any personal or proprietary rights of any other person or entity,
- illustrations and photos contained in the article are made by the authors, otherwise the authors of the article states that they have permission to use the illustration and photos of a person or institution,
- if the article is financed by some sources, information about the source of funding is given in the article in section Acknowledgment,
- authors agree to the publication of the article in the on-line version.
